CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

On December 16, 2015 at approx. 7:00 p.m., the City of Riverside Fire Department was dispatched to a report of smoke coming from a residence in the 1800 block of Keith with a first alarm assignment. The first arriving engine company reported a two story six unit apartment complex with heavy fire and smoke coming from the attic of the structure. Unknown if any residents were trapped upon arrival. The first arriving battalion chief ordered a second alarm, third alarm, PIO, Safety Officer and Second Battalion Chief along with an AMR unit. Crews reported of a working attic fire in a common attic above the six units. Crews performed a coordinated aggressive interior and vertical ventilation attack. A primary search was conducted with no residents being found inside. A total of 18 residents were displaced from the structure. 4 of the 6 units were occupied with 2 units being vacant. Red Cross responded to the incident and was assisting the displaced residents. Four California Fire Foundation SAVE Cards were issued to the displaced residents. RPU and The Southern California Gas Company responded out and secured the utilities. Breathing Support 5 was requested and responded to the incident. A total of 40 firefighters responded to the incident. The on duty Arson Investigators responded to the incident to conduct an investigation. The fire cause was determined to be electrical. The property loss is estimated at \$350,000 with a save of \$250,000. Contents loss is estimated at \$75,000. There were no civilian or firefighter injuries.
